## Create a DEEP – Request

The screenshot shows the Mercedes-Benz Social Intranet interface. At the top, there's a navigation bar with the Mercedes-Benz logo and user profile icons. Below it, a menu bar includes 'Home', 'Mein Standort', 'Mercedes-Benz & Ich', 'Unternehmen', 'Mehr', 'Hilfe', and 'Corona-Info'. The main content area is titled 'App Station' and features a search bar with 'DEEP' entered. A sidebar on the left shows 'Meine Apps' and 'Alle Apps'. The main app list displays the 'DEEP - Digital Equipment Engineering Portal' app with a thumbs-up icon and the number '22'. A button labeled 'Entfernen' is visible below the app card. A text box at the bottom of the app card reads: 'As soon as you are activated for DEEP, you will receive an email. You can then log into the system via the [DEEP - App](#).'

If you have any questions or need more information about DEEP, simply visit our intranet page:
